

Clean Air Is Just GOOD Business

The *AIR  KING* unit has been engineered using high quality products housed in a 16 Gauge steel cabinet, finished in a brown chemical resistant polyurethane paint for long unit life. Each unit is a self contained system and can be used individually for smaller operations or in groups for larger areas.

AIR  KING provides efficient removal of irritating contaminants such as smoke, chemical fumes, or dust.

Iowa Distributing Company Inc., has been in the air cleaning business for over 30 years and has provided air cleaning systems in thousands of different applications throughout the entire United States and Canada. We offer a three year warranty on all parts (does not include filters).

APPLICATIONS
